T2eXPO

**YOU ARE INVITED TO THE
NEW DATE OF SATURDAY,
MARCH 1ST!**

NOON TO 2PM

Thompson Techno Expo

It's your chance to learn about Communications.

What's Fiber?

What's on that utility pole that I look at everyday?

3-D Printing

Cyber Security

Newport's Information Technology Working Group is pleased to announce its collaborative creation of the Thompson Techno Expo, teaching our students to be the Information Technology Ambassadors to the community, another step in getting Aquidneck Island to be a 21st Century Technology Community.

Support our efforts at creating a STEM initiative and growing our local understanding of Information Technology as our 21st Century Infrastructure.

**Thompson Middle School
55 Broadway, Newport RI**
